- Use any Ai app to clasify the verbs into 4 categories:
 - First, we have to change the language, prompt: “”hablemos en esta conversaci3n en ingles”.
 - Second, we have to pass the list, prompt: “keep in mind this list of irregulars verbs and regular verbs: list of verbs”.
- Irregular verbs: Prompt: Please take this verbs: (list of verbs), and divide them in regular and irregular verbs, then create a table with it.

Verb	Regular/ Irregular	Past simple	Past participle
